PRAVEEN KUMAR PASUPULETI

QUALITY ANALYST | DATA QUALITY | GIS & MAPPING

PROFESSIONAL EXPERIENCE

WIPRO LTD. — Senior Associate, Mapping & Data Management

Hyderabad, India | June 2019 – September 2023 | 4.3 years

- Managed and validated geospatial data through map labeling, metadata quality control and speed-limit validation, maintaining accuracy and compliance across mapping products.
- Reviewed map attributes and road-network information to identify missing, incorrect, inconsistent or outdated data.
- Performed QC and Meta QC to verify completed mapping work against defined quality standards and process guidelines.
- Investigated complex mapping issues, analyzed exceptions and supported high-priority escalations through defined workflows.
- Used Atlas and Calypso for mapping operations and quality review; referenced MapsKB and other project documentation for process updates.
- Analyzed data trends and prepared visual or operational reports to support decision-making and process improvements.
- Maintained trackers and reporting information using Google Sheets and Microsoft Excel.
- Trained 25 new hires on process workflows and quality expectations; conducted 20 internal audits focused on accuracy and compliance.
- Applied documented procedures and SMART-based process-improvement practices to support efficiency and consistent data quality.

MUTHOOT FINCORP PVT. LTD. — Cashier / Relationship Executive

Rajahmundry, Andhra Pradesh | June 2017 – June 2019

- Processed and audited gold loans, repayments and other financial transactions.
- Handled cash-related responsibilities and supported daily branch operations and financial documentation.
- Responded to customer queries and service requests and supported issue resolution.
- Assisted with financial product promotion and business-development activities.

EDUCATION

MBA — Finance & Marketing | GBR UG & PG College, Anaparthi, Andhra Pradesh | January 2015

B.Com — English Medium | Government Autonomous College, Rajahmundry, Andhra Pradesh | January 2013

Intermediate — CEC | CGTM Junior College, Rajahmundry | January 2010

SSC (10th) | Sri Nannaya Municipal High School, Rajahmundry | January 2007

PROFESSIONAL DEVELOPMENT

Completed training in web development technologies, including HTML, CSS, JavaScript, React.js, Redux, Node.js, MongoDB and Git/GitHub. Continued learning in data management, reporting and quality-focused operational workflows.

ACHIEVEMENTS & INTERESTS
